REFER A FRIEND!

Did you know that referrals of local businesses to friends and families help build a sense of camaraderie and help strengthen the local businesses in your community?

I love working, I love shopping, I love checking out new restaurants in my community and I love shopping local and using local artisans and other professionals who have become not only my friends but also my referral sources.

Think about using local business owners to help you out when you need something. Personalized service and people who care are your locals!

- If you or a friend need a mortgage, **Call The Loan Goddess!** (me) 847-293-2111
- If you or a friend need a chiropractor, **Call Dr. Jordan & Dr. Jade** 847-362-4476
- Got a dog? **Bentleys Pet Stuff** is located right behind our office! (847) 247-6990
- Need some bling? Carley & Alyssa at **Singalila Gallery** in front of our shop have everything GORG! (847) 816-3820
- Need some glam shoes, a straw hat or a "Local Celebrity" BB hat like mine? Christina Garrison at **Bootery Boutique**, my next-door neighbor is your girl. (847)-362-1201
- Opening soon, my fav **"My Charcuterie"** owned by Liz Turnbaugh just to the No. (224) 223-5090

My point is Amazon & Target are great, but don't forget about your local merchants and professionals, plumbers, electricians, handymen, artisans, bakeries, local shops, Coffee houses, ballooneries, craft beer breweries and restaurants that give you town the personality that you love! **DO A GIRL A SOLID?
